## **739 DIRECTORY – VISITORS SIDE**

On a daily basis we have to transmit data to the directory gate system. If the directory reads “Please Wait”, it means we are transmitting data and it will take a few minutes.

### **REMINDER**

**Gate Change Restrictions will commence on Monday, February 4<sup>th</sup> from 4:15 pm until 6:30 pm Monday through Friday only.**

**A – K will be blocked**

If you see anyone tailgating or breaking a gate, please notify the office. Please try to get a time, make/model of the car or license plate. Breaking a gate not only causes damage to the system but it incurs time and labor to replace the board.

### ***Renew Your Dog License for 2019***

All dogs three months of age or older must be licensed in Pennsylvania, either on an annual basis or with a lifetime license. Annual licenses are \$8.50, while lifetime licenses are \$51.50. Dogs who are spayed or neutered can be licensed for \$6.50 for the year, or \$31.50 for a lifetime license. Discounts are available for senior citizens and those owners with disabilities. Completed applications must be returned to the county treasurer’s office.

Under Pennsylvania state law, owners who fail to license and/or immunize their dogs could face fines up to \$300 per violation for each dog three months of age or older. In addition, owners of non-vaccinated pets may be fined up to \$300 plus court costs.

Applications are available at the office or [www.PADogLicense.com](http://www.PADogLicense.com)

If you need help paying your heating bills, or have a heating emergency LIHEAP may be able to help you.

### **2018-2019 Income Guidelines**

Household Size	Maximum Annual Income
1	\$18,210
2	\$24,690

For each additional person, please add \$6,480

The Low-Income Energy Assistance Program (LIHEAP) helps low income families pay their heating bills. LIHEAP is a grant. You do not have to repay it. LIHEAP offers both cash and crisis grants.

CASH grants help families pay their heating bills. The one-time payment is sent directly to your utility company or fuel provider, and it will be credited on your bill. Cash grants range from \$200 to \$1000 and are based on household size, income, and fuel type.

CRISIS grants may be available if you have an emergency situation and are in jeopardy of losing your heat. You can receive more than one Crisis grant, as necessary, during the season until the maximum benefit of \$600 is reached. Apply online [www.compass.state.pa.us](http://www.compass.state.pa.us) or request an application by calling the Statewide LIHEAP Hotline 1-866-857-7095, or contact your local county assistance office.

To apply, you will need:

- \*Names of people in your household
- \*Date of birth for all household members
- \*Social Security numbers for all household members
- \*Proof of income for all household members
- \*A recent heating bill and a recent electric bill

If you need help filling out your application, please call 570-775-5550 to schedule an appointment for assistance. We are currently scheduling appointments for Wednesdays in our Blooming Grove location during the month of January.
